## 2-Din referencelist

On the back of this paper you will find an extensive referencelist.

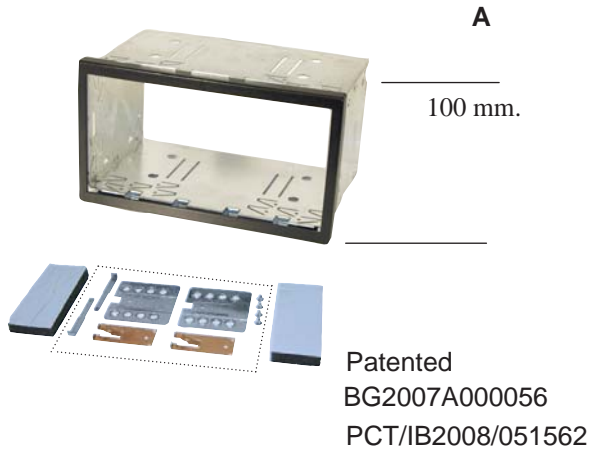

Take into account the year of construction of the car. Also note that there are different colours of dashboards in some cars. Choose your kit which matches the colour of the dashboard.

If Soft Touch is indicated, then the color is equal to the OEM dashboard

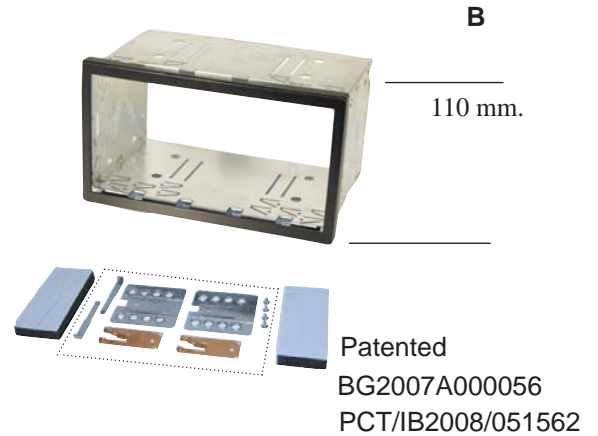

The 2-Din kits have been divided in A/ B/ C/ D models

Universal 2 - Din kit 100 mm. bracket

Universal 2- ISO kit 110 mm. bracket

Car specific kit without metal bracket

Car specific kit with metal bracket
